

Please join us **Monday, January 31, 2011** for a Brown Bag Presentation

Water and Urban Greening: integrated approaches ...multiple solutions

What: The benefits of urban greening go far beyond the obvious aesthetic qualities. Come learn how urban greening can provide benefits for improving water supply, flood prevention and water quality.

Who: Learn from one of California's experts in urban greening: Andy Lipkis, President and Founder of TreePeople

When: Monday, January 31, Noon to 1:00 p.m. (Bring your own lunch.)

Where: California Environmental Protection Agency Headquarters
Klamath Training Room, 2nd Floor
1001 I Street
Sacramento

RSVP: Chuck Mills
California ReLeaf
916.497.0035
cmills@californiareleaf.org

Brought to you by California ReLeaf (www.californiareleaf.org), Tree People (www.treepeople.org), and the California Department of Forestry and Fire Protection Urban Forestry Program (www.fire.ca.gov/resource_mgmt/resource_mgmt_urbanforestry.php).

This workshop is hosted through the generous support of the State Water Resources Control Board.
