

# 2018 Network Membership

## Renewal Form

Dear ReLeaf Network Member,

Here is your opportunity to renew your membership for 2018. Your participation in the California ReLeaf Network is integral to the vibrancy of California urban forests. Your membership dues go towards programs, including advocacy, which other funding and grants do not cover. *Please continue to support more funding for trees and for the urban forest community by contributing an additional amount specifically for advocacy.*

ReLeaf's advocacy work at the Capitol resulted in \$20M for CAL FIRE's grant program. We co-sponsored legislation that significantly augments CAL FIRE's Urban & Community Forestry Program AND makes it a permanent program. We successfully advocated for at least \$15 Million in urban forestry funding that appears in Proposition 68 – the Park Bond on the June 2018 ballot.

Also included are following requests:

- Two questions that will help us as we plan the 2018 Network Retreat (May 2 and 3 in Sacramento)
- Demographic information that is used to track diversity in California urban forest nonprofits.
- Update your organizational information as needed to ensure we are up-to-date.

**Please call me if you have any questions.**

Thank you again!

What sources do you use for information on advocacy at the state and local level?

## Demographic Information (Optional)

We ask for demographic information as it relates to Green 2.0. Green 2.0 is an initiative dedicated to increasing racial diversity across mainstream environmental nonprofits, foundations and government agencies. By providing this data we stand with other iconic environmental NGOs - such as the National Audubon Society, the Natural Resources Defense Council, and The Nature Conservancy – to ensure the inclusion and engagement of all communities as we nurture a healthier environment.

What percentage of the board and staff self-identify as the following:
