

# California Arbor Week Grant Workshops

## Join the 2019 California Arbor Week Celebration! Attend one of these grant workshops sponsored by Southern California Edison

Come tell us about the tree planting events your organizations wish to host in honor of Arbor Week 2019.

California ReLeaf's goal is to encourage & support new community groups in making San Bernardino County neighborhoods greener and healthier through trees. Find out how your group can join the ReLeaf Network to access educational resources as well as learn about advocacy & urban forest grant funding opportunities.

**Start with the 2019 California Arbor Week grants:** there will be \$15,000 available for pass-through grants. Stipend awards will range from \$1,000 to \$2,000 per grant. Come hear about this grant program (and other resources for you) so you'll feel ready to fill out an easy 1-page application in English or Spanish.

### Two Dinner Workshops will be held and we'll have music, too!

1. **Monday, February 11, 2019: 5 - 7pm**  
Adelanto Learning Center - High Desert  
12100 Palmdale Road, Adelanto, CA 92301

2. **Tuesday, February 12, 2019: 5 - 7pm**  
Operation New Hope  
323 W. 7th Street, San Bernardino, CA 92401

Please RSVP by Feb. 9, 2019 to Mariela Ruacho at [mruacho@californiareleaf.org](mailto:mruacho@californiareleaf.org) or call 916.497.0037

**Many thanks to SoCal Edison for sponsoring these workshops!**
