

Accountant/Bookkeeper & Administration Program Manager

Full Time | Sacramento with a Hybrid Schedule
Salary Range: \$40k - \$60k Annually + Benefits

Position Overview and Job Responsibilities

California ReLeaf is seeking a full-time Accountant/Bookkeeper and Administration Program Manager for immediate hire who is dedicated to supporting grassroots efforts to protect and enhance California's urban and community forests. This incredible role offers the opportunity to join a mission-driven organization and work with an amazing team as well as a large network of local urban forest nonprofits who are making significant environmental impact on communities across California!

The ideal candidate will be committed to diversity, equity, and inclusion, demonstrate superior ability to multi-task, ability to gracefully pivot on shifting priorities with a creative and flexible problem-solving approach, proven project management skills, knowledge of budgeting, bookkeeping, and accounting experience.

The Program Manager will work closely with the Executive Director on all aspects of program development and management, serving as the lead team member for the organization's financial and administrative functions, as well as supporting grant proposals and ReLeaf sub-grant programs.

Education, Experience, & Skills

- Strong knowledge of budgeting, bookkeeping, payroll, and accounting practices— as well as 1-2 years experience with QuickBooks.
- Bachelor's degree and/or work experience in accounting, nonprofit and grants administration, or related fields.
- Work with the grants team to complete monthly and quarterly billing as needed, including compiling financial information, preparing invoices per funder requirements, and verifying the accuracy of information prior to submission.
- Ability to support grant proposals as well as ReLeaf sub-grant programs and sub-grantees.
- Helpful to have knowledge of indirect cost rates and government funding compliance.
- Proven project management skills: planning, prioritizing, and organizing.
- Strong, inclusive communication skills: listening, coaching, writing, and presentation skills.
- Awareness and attentiveness to the needs and concerns of individuals from diverse cultures, backgrounds, and orientations.
- Understanding of nonprofit, mission-based organizations and ability to build partnerships with other organizations and community groups.
- Intermediate to advanced computer skills across various programs and online tools, including QuickBooks, Microsoft Office Suite, SharePoint, Google Docs, and Zoom.

Desired Qualifications

- Spanish bilingual preferred.
- Understanding of nonprofit, mission based organizations.
- Advanced skills with Microsoft Excel and QuickBooks.
- Bachelor's degree in accounting or nonprofit management or something similar.
- Knowledge of arboriculture, horticulture, and or natural resources is helpful.
